Los Angeles Teachers on Hunger Strike

Dear Colleagues:

On behalf of the 41,000 members of the British Columbia Teachers' Federation, I want you to know of our admiration for the personal contribution of your hunger strike to supporting public education.

The threats to public education are many: privatization, funding cuts, teacher layoffs, worsening learning conditions, and limits to professional autonomy.

It takes personal as well as collective action to protect and restore public education, and we salute your efforts.

In solidarity,

Irene Lanzinger  
President
