**SUBJECT: APPLICATION FOR HIGH PRIORITY SCHOOLS GRANT PROGRAM (HPSGP)
 COHORT 2**

PROPOSAL

It is proposed that the Superintendent submit forty (40) High Priority Schools Grant Program (HPSGP) Cohort 2 applications to the California Department of Education (CDE).

BACKGROUND

Assembly Bill (AB 961), Chapter 747, Statutes of 2001, established the High Priority Schools Grant Program (HPSGP) for low-performing schools. One hundred sixty (160) LAUSD schools received grants ranging from two to four years.

The Budget Act of 2005 allocated funds for a second cohort of HPSGP schools. Schools accepting HPSGP funds are subject to accountability measures specified in California Education Code (EC) Section 52055.650 beginning in 2007-08. Schools must achieve growth targets in each of their first two years of implementation. Schools failing to do so are subject to review by the State Board of Education (SBE). After 24 months, the State Superintendent of Public Instruction has the discretion, with the SBE's approval, to direct the governing board of such schools to take SBE-required actions. Lack of significant progress after 36 months may result in state interventions or sanctions.

BUDGET IMPLICATIONS

Schools will receive \$400 per student for a minimum of two years. There is no impact on General Funds.
