Examples of a reasonable denial of approval would be denial of approval because another candidate had already been granted approval on that day, or because the work schedule issues that would make it impossible or disruptive for the candidate to campaign at that school on that particular day.

2. Beginning on September 15 of the year before the election, incumbent full-time-release city-wide officers may campaign at work sites during their normal regular duty hours for a maximum of 8 hours per week (including travel time) so long as they have first obtained prior approval of the chapter chair as provided above and so long as they document the time that they are doing so. If only one of four elected persons files, that person shall be declared the winner without balloting.

XII. Challenges to the Election

A. In the event that any candidate claims that any violation of any provision of this Manual or of the Constitution has taken place in connection with an election in which that person is a candidate, that candidate may request a hearing by the Elections Committee by filing a written challenge no later than 5:00 p.m. on the fifth

working day after election results are stated for the round of the election in which the candidate claims that there has been a violation, setting forth with reasonable certainty the nature of the alleged violation and the facts constituting the alleged violation.

B. No later than 10 days after the final election results for the position for which the challenge has been filed, the Elections Committee shall set a time a place for a fact finding hearing. That fact finding hearing shall take place no more than 30 days following the final election results. The fact finding hearing shall not take place until after all run-off elections for the position for which the challenge has been filed.

C. At least a majority of the Elections Committee must attend each day of the fact finding hearing and only those members who attend each day of the fact finding hearing may participate in the decision of the Elections Committee.

D. The Election Committee shall function in a manner similar to a committee of a legislative body and therefore shall be entitled to consider all facts and witnesses that the Committee, in its discretion believes would inform it of those facts relevant to a decision, including facts and circumstances that it becomes aware of outside of the fact finding hearing itself.

E. The Election Committee shall declare the election for any particular position void and shall direct and set procedures for the conduct of a rerun election if there has been a violation that may have affected the outcome of that election. In addition, if the Election Committee finds by clear and convincing evidence that (a) a candidate had knowingly received financial support from a vendor or any other person or entity that the candidate knew stood to benefit financially from their relationship with UTLA or (b) knowingly accepted the endorsement of, or support of, any local, state or national affiliate organization, the Election Committee shall disqualify the candidate and there shall be a rerun election among all other candidates for that position. If there is only one remaining candidate for that position, that candidate shall be declared elected without a rerun election. Any determination of disqualification may be appealed to arbitration in accordance with subparagraph I of this section.

F. In any Re-Run election ordered by the Election Committee after a challenge, the election rules of this Manual shall be applicable.

G. As soon as a decision by the Committee is made with regard to a challenge, the Election Committee shall immediately inform all affected candidates of the decision. The Committee shall provide that notice by Certified Mail and by any

other reasonable means that the Committee believes will insure that the member has actual notice of the decision.

H. A candidate who has filed a claim of an election violation with the Election Committee may withdraw that claim at any time before a decision by the Election Committee.

I. Arbitration

1. If a candidate is dissatisfied with the decision of the Election Committee, the candidate may appeal that decision to arbitration by filing notice of appeal with the Elections Committee. That notice of appeal must be received at the UTLA offices not later than 10 working days after the date the Elections Committee decision is delivered to the member who has filed the charges and must be accompanied with a deposit of \$1,000 for those candidates who were seeking citywide officer positions, and \$600 for those candidates for members of the Board of Directors. If the decision is not hand delivered to the member who has filed the charges, it shall be presumed that the decision was received 3 days after the decision is mailed by registered or certified mail to the member.

2. The Election Committee shall immediately request a list of names of neutral labor arbitrators in the Southern California area from the American Arbitration Association ("AAA"). The Elections Committee shall determine a neutral method of striking names from the list of arbitrators provided by AAA to select a neutral arbitrator from that list of names provided by AAA. An arbitrator shall not be considered eligible unless that arbitrator is available to hear the matter three months from the date that the list of arbitrators was provided by the AAA.

3. If there are multiple requests for arbitration, the Elections Committee has the discretion to determine that those arbitrations should be consolidated into one arbitration hearing and to attempt to obtain the agreement of the candidates to such consolidation. Where the Elections Committee determines that the arbitration involves a challenge to a policy, decision or action of the Elections Committee itself, the Elections Committee may participate in the arbitration as a full party. Otherwise, the Elections Committee shall participate in the arbitration only to the extent necessary to ensure that UTLA interests are protected and, in such case, the full parties shall be the candidates involved in the dispute.

4. If the arbitrator upholds the challenge of a candidate in substantial part, the deposit provided by the candidate shall be returned to the candidate. The arbitrator shall determine whether such a refund is applicable.

5. A candidate who has appealed a decision of the Election Committee to

arbitration may withdraw that appeal at any time before the decision of the Arbitrator.

6. As soon as a decision by the Arbitrator is received by the Elections Committee, the Election Committee shall immediately inform all affected candidates of the decision. The Committee shall provide that notice by Certified Mail and by any other reasonable means that the Committee believes will ensure that the member has actual notice of the decision.

J. Presumption of validity: Elections challenged by a member are presumed valid pending a decision of the Elections Committee or arbitrator. Until such time as either the Elections Committee or an arbitrator finds that the results of an election are not valid, those who have been elected shall take office and shall have the full authority of that office while any challenges are being considered.

D. Ballots in return envelopes that are unidentifiable (not an official return envelope), shall be set aside and not counted.

E. Ballots returned to a location other than assigned P.O. Boxes (e.g. UTLA offices) will not be opened or counted.

V. ACCURACY CERTIFICATION

This accuracy and logic test will be conducted in the presence of UTLA Elections Committee Representatives and official observers. The same test will be conducted following the tabulation of the Official Ballots and the results of the two tests will be compared.
