

Are you interested in Creating and Teaching a Salary Point Class?

Do you have an area of expertise that you'd like to share with other teachers?

Do the teachers at your school have an interest in reading a book about an educational strategy and working together to apply it?

Do the teachers at your school want to focus on developing units around specific curriculum?

NBC teachers can earn hours, other teachers can earn double salary points. Your school could sponsor a class with local PD funds + pay one of your teachers the professional expert rate if you budget hours as part of your school plan.
