

ONE-HOUR'S PAY FOR THE KIDS OF LA

Join the rally outside school for the 1st hour to protest budget cuts.

On June 6 UTLA will be taking an unprecedented action to protest the state budget cuts. On that day, UTLA members across LAUSD will stay outside of school with our parent/community allies and picket for the first hour of school.

Here's what's at stake if the budget cuts go through:

- There will be NO RAISES for the foreseeable future.
- LAUSD will aggressively move to cut your health care benefits.
- Class sizes will increase dramatically.
- LAUSD can and will declare a fiscal emergency, which allows them to lay off permanent or probationary teachers without customary notice.
- The jobs of thousands of talented probationary teachers—the future of our profession—will be in jeopardy.

Cuts hurt kids.
