

LAUSD SHAME ON YOU!

One Day Strike

On Friday, May 15, with the approval of almost 75% of voting members, UTLA has called a one day strike to pressure the District to undo its decision to raise class size and lay off thousands of teachers and other school employees. The District has more than enough money from the federal stimulus package to maintain class size and retain educators where they are working.

Stay out of school on May 15 to protest the layoffs and class size increases. Send a clear message to the city, the state, and the nation that our students' future cannot be sacrificed because of the current economic crisis.

Picket at your school site in the morning

Arrive at your school site before employees arrive and picket until one hour after the start of your school day.

March on Beaudry at 11:00 am

Gather at Pershing Square (532 South Olive Street, Los Angeles) at approximately 10:00 am. March to LAUSD Headquarters at 11:00 am.

Support your colleagues and tell the District "stop the school-site chaos."

For more information go to www.utla.net or talk to your Chapter Chair.

AN INJURY TO ONE IS AN INJURY TO ALL
