**SUPPLEMENTAL PAYROLL AUTHORIZATION**  
 The United Teachers Los Angeles - Political Action Council of Educators (PACE), collects contributions to help elect friends of education to local, state, and federal office. The National Education Association Political Action Committee (NEA-PAC) and the American Federation of Teachers Council of Political Education (AFT-COPE) each perform a similar function in elections for federal office. Contributions to any of these PACs are strictly voluntary and are not tax deductible, nor are they a condition for membership in UTLA, the NEA, the AFT or any affiliated organization. A member may contribute more or less than the amount suggested on this form, or may refuse to make any contribution, and this will not affect his or her status, rights, or benefits in UTLA or any of its affiliates. At least eighty-five percent of a member's contribution will be retained by UTLA-PACE and no more than fifteen percent goes to your national PAC. This authorization shall remain in force until canceled by written notice from UTLA or by the member who signed this authorization.
