Dear Parents and Supporters,

Congratulations on your great work during the strike. We fought together in the rain to win lower class sizes and more nurses, counselors and librarians for our schools and for our children.

To guarantee the improvements we won are sustainable and our schools continue to make progress, we need adequate funding. California is 44th out of 50 states in per-pupil funding. Measure EE is the first step to correct this shameful statistic and provide the funding we need for the future of our schools.

LA UNITES FOR OUR STUDENTS

June 4: Vote Yes on EE

For lower class sizes, funding for arts & music, nurses, counselors, librarians, & more

- Volunteer to work for Measure EE at www.bit.ly/MeasureEEsignup
- Talk to family and friends about the need to pass Measure EE

Measure EE: The School Funding We Fought For!
