

## FIGHTING FOR THE FUNDING OUR STUDENTS DESERVE

# Measure EE on June 4: A Critical Step in Our 20 by 20 Campaign

Our strike galvanized massive parent support and showed that the community wants to reinvest in public education, not privatize it. On June 4, voters in LAUSD boundaries will vote on Measure EE, Quality Schools for All — a per-square-foot parcel tax on habitable structures that would raise approximately \$500 million for LA schools. This is not a regressive flat tax: Businesses and corporate landlords would pay more than 70% of the tax, and homeowners only 18%.

Measure EE is a critical step in reaching UTLA's 20 by 20 goal: \$20,000 in per-pupil funding by the year 2020. Other steps we are fighting for include closing corporate tax loopholes through the Schools and Communities First measure in 2020 and taxing the wealthy to fund special education (IDEA) and Title I.
