

PACE: A VOICE FOR RETIREE ISSUES

RETIREE CONTRIBUTIONS TO PACE GO DIRECTLY TO POLITICAL WORK!

PACE funding supports candidates who will defend our pensions and protect our health care.

As retirees, elections continue to matter. We must support genuinely pro-education candidates who will fight for our pensions, benefits and values. In order to protect our benefits, we need to elect pro-teacher candidates at every level of government.

With a stronger PACE, our voice can be greatly amplified to defend our retirement pensions and our healthcare.

UTLA PACE is critical for protecting our pensions & benefits.

We are in a fight against budget cuts and an aggressive privatization agenda that puts our pensions, our health benefits and our schools at risk.

Political action, powered by PACE, protects our health care and our pensions by supporting strong candidates for the school board and state legislature.

UTLA PACE is the union's political voice. Retirees need to be part of that voice!
