

The District, however, will not provide such health benefits for an employee for any leave period beyond twelve weeks unless these benefits are provided by other provisions of the District/UTLA Agreement such as paid illness leave. For example, if an employee combines pregnancy leave with a family care leave, the employee will only be entitled to continued health benefits for the first twelve weeks of leave unless the employee continues on paid illness leave.

~~An employee who asks for leave for what would be a qualifying event for Family and Medical Care Leave/Absence and who has accrued vacation leave may elect, or the immediate administrator may require, the employee to utilize the vacation leave for this purpose, in lieu of unpaid status. An employee who takes leave for the employee's own serious health condition which prevents the employee from performing one or more of the essential functions of the employee's position and who has accumulated illness days may elect, or the District may require the employee to utilize paid illness days for the leave.~~
