

ALL IN FOR THE TEACHERS' CHOICE ***MARCH 3 PRIMARY ELECTIONS***

Billionaire Bill Bloomfield and the California Charter Schools Association dropped \$2 million into the School Board races in just two weeks. They'll pour in millions more before March 3. These are the people who want to cut our healthcare, roll back our gains on class size and staffing, and eliminate our union. The only way we win is if we talk to voters. If we don't reach out to the community, the only messages they get will be from anti-teacher, pro-corporate charter privatizers.
