AFFILIATES

OUR AFFILIATES When you join UTLA, you join a network of education professionals across the country. UTLA is affiliated with both national teachers' organizations the American Federation of Teachers and the National Education Association. Along with your UTLA membership, you also have membership in the national affiliates. The AFT and NEA are dedicated to improving our public schools and supporting teacher professionalism. They also offer members a variety of financial benefits and services, from credit cards and life insurance to discounts on travel and educational supplies.

- CTA** 325,000 members, cta.org
- AFT** 1.6 million members, aft.org
- CFT** 125,000 members, cft.org

PACE

UTLA Political Action Council of Educators ("PACE") collects contributions that are used for legislative advocacy and to help elect friends of education to local, state and federal office. The National Education Association Political Action Committee ("NEA-PAC") and the American Federation of Teachers Council of Political Education ("AFT-COPE") each perform similar functions. Contributions to any of these PACs are strictly voluntary and are not tax deductible, nor are they a condition of membership in UTLA, NEA, the AFT or any affiliated organization. A member may contribute more or less than the amount suggested on this form, or may decide to not make any contribution, and this will not affect his/her status, rights or benefits in UTLA or any of its affiliates. At least eighty-five percent of a member's contribution will be retained by UTLA-PACE and no more than fifteen percent goes to your national PAC. This authorization shall remain in force until canceled by written notice from UTLA or by the member who signed this authorization.
