ARTICLE IX-A - ASSIGNMENTS

1.0 ~~General: This Article is a composite of contractual items previously contained in Article IX (Hours) and Article XXXI (Miscellaneous). They have in several cases been reworded and/or placed in different order for purposes of clarity.~~

2.0 Uniform Staffing Procedures For All K-12 and Adult Schools:

a. Creation and Posting Of Matrix:

Approximately four weeks prior to the day teachers on any track or schedule finish service for the school year or four weeks before classes are selected, the site administrator shall prepare and post a District seniority list, provided by the LAUSD Human Resources Department, of bargaining unit members assigned to the school site and a matrix indicating the tentative number of classes (on each track, if multi-track) for each subject/grade level. The parties acknowledge that the matrix is based on projections and therefore subject to change. The site administrator shall specify any special credentials, necessary qualifications and any differentials, along with the requirements to qualify for the differentials. In order to provide adequate planning time, teachers shall be notified of tentative assignments as soon as feasible (at or before the end of the track, if applicable), but not later than June 1. Teachers shall also be notified, as soon as feasible, of a change in the tentative assignment. If a teacher is notified of a change of assignment within five (5) calendar days prior to the assignment (first student instructional day), upon request, the teacher shall receive up to the equivalent of two (2) days in paid status as preparation time for the assignment. In order to receive the equivalent of two days of preparation time, the change of assignment must affect the majority of courses taught in a secondary or adult assignment, and require a preparation for a course not in the previous assignment. In the case of a change of assignment that does not affect the majority of the courses taught, but does require a preparation for a course not in the previous assignment, the teacher, upon request, shall receive the equivalent of up to one (1) day of preparation time. The scheduling and configuration of such time may be in release time and/or additional paid time, and shall be mutually agreed upon between the teacher and the site administrator. In any event, however, the time must be utilized by the end of the second week of student instruction.

b. Requests:

Teachers with the specified credentials and required qualifications (“qualified”) may request assignment to their grade level (elementary), specific class (es) within a department (secondary) or track (multi-track) using a ~~teacher preference form or other~~

locally determined method approved by a majority vote of the classroom teachers assigned to the school site. ~~Submission of this preference form shall serve as a request for the assignment.~~ Teachers on leave who are scheduled to return to service should participate in the selection process.

Locally determined methods may include, but are not limited to:

1. Preference sheets, with school principal and UTLA Chapter Chair meeting to jointly create the matrix.
2. Preference sheets, with school principal and UTLA Chapter Chair meeting with each classroom teacher assigned to the school site to create the matrix.

d. Secondary School Assignments: For employees in each secondary school and in special education, wherever located, assignment to tracks, department and classes shall be made pursuant to the following procedure.

e. Dispute Resolution Procedure (Elementary and Secondary Track Assignments and Elementary Grade Assignments For Permanent Teachers):

If differences arise as the result of the site administrator's assignments of permanent teachers (but not as the result of the assignment of non-permanent teachers, whose assignments are not subject to any dispute resolution or grievance procedure) pursuant to subsections c & d immediately above, the determination as to whether the assignment was inappropriate shall be handled under the procedures of Article V-A.

f. Dispute Resolution Procedure (Secondary Class Assignments For Permanent Teachers):

In the case of a dispute as to the assignment of a permanent secondary teacher to classes (but not as the result of the assignment of non-permanent teachers, whose assignments are not subject to any dispute resolution or grievance procedure), the dispute shall be resolved solely pursuant to the procedures of Article V-A, subject to the following:

1. Assignments to leadership classes and all athletic assignments shall not be subject to any dispute resolution procedure.
2. The Joint Panel charged with resolving the dispute under Article V-A shall have the authority to overrule a site administrator's secondary class assignment only upon a specific finding that the assignment is arbitrary and capricious. The decision of the panel shall be final and finding.

2.1 Staffing Procedures After Initial Selection Through The Fifth Week of School or Track:

That determination shall be reached after submission of a joint recommendation made by the Principal and the Chapter Chair, or individual recommendations in the event that they do not agree to a joint recommendation. As the Assistant Superintendent makes that determination, he or she shall respond in writing to each of the recommending parties. The following mandated subject areas in Adult Education may have full time coordinators: Elementary Basic Skills (Academic); Secondary Basic Skills (Academic); English as a Second Language, Citizenship, Parent Education, Programs for Older Adults, Programs for Disabled Adults, Vocational Education, Home Economics and Health. In Regional Occupational Centers and Programs (ROC-ROP), departments large enough to warrant a full time coordinator may have full time coordinators.

 2. ~~If the candidate is not confirmed by a majority vote, the site administrator and chapter chair shall immediately inform faculty members that the coordinator position is still vacant. Also exempt from the five-year rule are (i) employees whose assignment requires direct instruction to or supervision of students at least 50% of the time, and (ii) an employee who is named in a continuing grant and whose compensation is at least 50% funded by that grant.

- a. Employees who fill the on-site positions that are subject to the five-year rule will be selected pursuant to the above provisions. The five-year rule is an outside limit, and does not establish a minimum term or a right to serve for any given term.

- b. If the incumbent receives the approval of 2/3 of the employees voting, the incumbent will qualify to become a candidate to fill an out-of-classroom position. In the subsequent secret ballot election for the position pursuant to Section 6.0 above, the candidate (including the incumbent if eligible) who receives a simple majority of those voting shall be considered elected and a new five-year maximum limit will run from the effective date of that assignment.
