

Chapter Action Team (CAT) Commitment

Contract Action Teams were critical organizing structures throughout our chapters during the contract campaign and helped us get strike ready. Now we need to build on our victories, strengthen our structures, and build on our alliances with parents and community allies.

Contract Action Teams will be expanded to Chapter Action Teams as our struggle moves beyond our contract.

Chapter Action Team Leaders agree to:

- Meet regularly with the chapter chair and fellow CAT members.
- Communicate consistently with a set group of chapter members.
- Organize coworkers to build support in the school community for UTLA’s political campaigns to increase school funding and equity.
