

Chapter Chair Safety Violation Report

If your worksite is out of compliance, use this form to document your reporting of the issue and take the following steps:

1. Notify your administrator / principal.
2. If not resolved, contact the district hotline at (213) 241-2700
3. If not resolved, contact your UTLA Area Rep and begin organizing with your coworkers to take collective action at the school site in a socially distanced manner.

Check off the type of violation and describe it in more detail below.

Physical Distancing & Safety

- All staff, students, and visitors wearing masks
- Social distancing consistent with LA County Guidelines

Hand Sanitizer & Soap

- Soap, hand sanitizer, and paper towels in every room with a sink
- Hand sanitizer in every classroom and workspace
- Hand sanitizer or portable hand-washing stations at entrances and exits
- All hand-washing/hand-sanitizing supplies checked and restocked each day

Regular Cleaning & Disinfecting

- All classrooms
- All restrooms
- All workspaces
- All high-touch surfaces

Ventilation

- HVAC with MERV 13 + for classrooms at least through October 1 (confirm compliance with principal)
- Air filters inspected monthly

Testing & Screening

- All unvaccinated staff and students tested at least every 2 weeks
- Symptom screening stations / protocol
