Keeping LAUSD Accountable and Charter Co-Locations in Check (2017-2018)

UTLA's Prop 39 Workgroup meets regularly to discuss issues related to Charter School co-locations. Below you will find a number of people that you can reach out to for support to assist you with the many issues specifically associated with the challenges posed by charter school co-location. If you have any specific school site issues or individual representational issues not associated with Charter School co-locations please reach out to your Chapter Chair and/or your UTLA assigned staff Area Representative.
