## JUNE 7, 2022 PRIMARY

VOTE NOW, DON'T DELAY

# EDUCATORS ARE IN DR. ROCIO RIVAS' CORNER

- **Rocío knows our schools:** Rocío is an LAUSD alumni and the mother of a current LAUSD student. She knows first hand the struggles of parents, teachers, and students as we transition from the pandemic and fight to go Beyond Recovery. She will work with us to ensure that our schools have the resources and programs our students deserve, including full-time counselors and mental-health resources.
- **Rocío gets results:** As current board member Jackie Goldberg's Research and Policy deputy, Rocío has fought and won against misguided initiatives like against the Student Centered Funding scheme and to expose former board member Ref Rodriguez's campaign fraud.
- **Rocío fights for funding:** Rocío will hold corporations accountable by ensuring they pay their fair share of taxes so that public schools and other public institutions have the resources to serve everyone, regardless of zip code.
- **Rocío puts public education first:** Rocío will be a leader in protecting our neighborhood schools from the charter school industries' attempt to privatize them. She stands for transparency, equity, and accountability, and she will center these values on the School Board to benefit all students.

## DOOR KNOCK AND DIAL

Voters trust educators.

Yours is the most respected voice when it comes to School Board candidates — voters listen when you talk about the leaders our schools need.

Every call you make and door you knock is for the future. To win a significant pay raise, protect our healthcare, lower class sizes and caseloads, and give our students the supports they deserve to go Beyond Recovery, we need allies on the School Board.
